Hi Ajoy,

BVPA (Bharat Vikas Parishad Australia) and Nilgiri's Restaurant together hosted a charity dinner for raising funds for Vikalang Kendra (Artificial Limbs Centres) in India.

This event was a huge success. All the credit goes to you, your staff and the kind donors who attended this dinner.

It was a great night with delicious food, entertainment and very friendly service. Everyone commented on the passion that you and your staff showed in preparing the excellent dishes.

Everyone enjoyed and praised the food . Your speciality like Dosas, entrees, Mains, Dahiwada's & Desert were excellent. We had a very positive feedback from everyone about the event & specifically about the Nilgiri's food.

We really appreciate your generous support. Thanks to you and your staff for the exceptional service and very delicious and unique food you provided for the night .

All the funds raised will go to Vikalang centre to provide free artificial limbs and rehabilitation for the needy.

We wish you and your staff best wishes.

Thanks & Regards
BVPA Committee
