To Whom it May Concern

Nilgiri's

As one of the Founders of Touched by Olivia Foundation, I am proud to be associated with Nilgiri's. Nilgiri's has been a loyal supporter of Touched by Olivia Foundation and can always be counted on to provide a "Dining Voucher" donation for our fundraising events.

We have also experienced Nilgiri's in a personal context as diners at the restaurant and more recently through the cooking school. Having sent a friend, as a birthday present, to the cooking school, we were lucky enough to then be guests at a recent dinner party where our friend showcased the cooking delicacies he had learnt. It was truly delicious.

Touched by Olivia Foundation wishes Nilgiri's every success in its endeavours to make a lasting impression on people's lives through the art of indian food and culture.

We thank Nilgiri's for being so generous in its support and for showing true passion to helping make kids lives healthier and happier!

Yours sincerely
