Dear Ajoy

Our charity dinner for the victims of the Kyegu earthquake could not have happened without you and all of us at the Kyegu Relief Fund sincerely thank you for your generosity in making the night possible.

While many businesses often offer lip service to the concept of social responsibility, you embody the very notion. Your kindness will make a tangible difference to the lives of people who have suffered enormously and who have needed and continue to need our help.

Due to your involvement, all the money we raised at our function on Saturday will be going directly to the benefit of those affected.

You may find it satisfying to know that your generosity in supporting us truly does ripple halfway across the world and makes a huge, not a little, difference to those who are trying to rebuild their devastated lives literally from the ground up.

We would like to offer you the enclosed in return as a token of our personal appreciation.

In conclusion many thanks again on behalf of the Kyegu Relief Fund and the victims of Kyegu, Tibet.

Kind Regards

Aepo Kyabgon
Director
