The North Shore Junior Cricket Association and nilgiri's restaurant have a wonderful partnership providing delicious food for our junior cricket players on the north shore.

Every week, nilgiri's donates a dinner voucher to the young cricketer who "plays in the spirit of the game". This not only introduces many new families to nilgiri's superb Indian cuisine but also recognises and acknowledges one of our junior cricketers' efforts at their weekend match.

Additionally, our Association has become known for its wonderfully tasty afternoon teas at NSW DCA Inter-Association Representative matches, as nilgiri's provides a superb table of samosas and chicken tikka rolls for both teams to enjoy during the afternoon!

We enjoy working with the team at nilgiri's and look forward to many more cricket seasons together.
